

# ICX-MAGELLAN SURGERY BOX 2.0

*New!*

## Content:

57 drills

5 gingival punches

5 stop drills

## Accessories:

4 anchor pins

1 drill for anchor pins

4 pilot drills

1 insertion instrument for ICX

1 insertion instrument for ICX-plus

1 insertion instrument for 3.3

1 universal drill

Leading through innovation.

# ICX-ACTIVE LIQUID

## FEATURES AND ADVANTAGES:

- ➔ Hydrophilic and microstructured Implant surface
- ➔ An optimized formation of the bone Implant contact surface will be expected
- ➔ The healing time can be shortened
- ➔ Immediate loading is often possible
